

Rehab Success

Lucy Corder

Having been told by four of my neighbors, who live at St. Paul Hermitage, about Madison Health Care Center, and their experiences here while doing rehabilitation, I felt this would be a good place for me to come to recover from my hip replacement. I have been very pleased with my care and would recommend Madison Health Care Center to anyone who needs skilled nursing care.

I want to thank all the staff and wish them the best in years to come. They all will be included in my daily prayers.

Thank you all and God Bless!
